

## **Propane Program Highlights**

*Dick Woodbury, Propane Coordinator*

At the beginning of 2004 ASPOA executed a five-year, renewable contract with Ferrellgas for all ASPOA members. This favorable contract gives us:

- Propane price is wholesale price (updated weekly) plus a fixed margin
- 50 free gallons for new Ferrellgas customers
- Free tank rental for one year
- Guaranteed pricing for FIVE YEARS
- Free, comprehensive safety check
- No Delivery Charges
- Portable BBQ propane tank and RV fill-ups at ASPOA pricing
- An additional 25 free gallons when the next tier of new members join (250 new members)

The latest propane pricing can be found in the Alta Sierran, or on the ASPOA Web Site ([www.aspoa.org](http://www.aspoa.org)).

Don't wait until your present tank is EMPTY; the changeover to Ferrellgas includes pumping the remaining fuel from your present tank to your new tank.
